

A group of people, mostly older adults, are seated at long tables arranged in a U-shape in a large, well-lit room. They appear to be engaged in a social gathering or meeting. The room has large windows with blue curtains, a whiteboard, and a clock on the wall. The participants are dressed in casual attire, and some are looking at papers or documents on the tables.

A long row of colorful posters displayed on a fence at the entrance of the school. The posters feature various illustrations and text, likely related to the school's activities or curriculum. The fence is made of chain-link, and the posters are attached to it. In the background, there are green plants and a white building.
